

Stewards Academy - Year 9 Family Bulletin

Week commencing Monday 2ND March 2020

Dear Parent/Guardian,

Welcome to our Family Bulletin number 4. We hope that our continued aim to keep you as parents and carers informed on a fortnightly basis of up and coming events and opportunities that maybe of interest to you and your family that are taking place at Stewards Academy and within the local community. Each issue we aim to introduce to you the whole team of staff working within the academy. We hope that you will find the Bulletin both interesting and informative, please do let me have any feedback regarding the bulletin.

Regards, Mr. M. Scholtes
Senior Deputy Headteacher

THE YEAR 9 TEAM

Letters have now been issued for those students who have qualified for this trip. Payment can be made via Parentpay.

SPORTS FIXTURES

Next week the following training sessions are happening in PE: Netball - all years - Tuesday

COMMUNITY NEWS AND INFORMATION

Stewards Academy are not hosting or are associated with these events and accepts no responsibility for the accuracy of this information.

Make a difference and take the plastic pledge

Harlow Council has come together with other local authorities to do our bit for the planet and we are encouraging residents to join us and 'Love Essex Not Plastic'.

The Essex-wide 2020 campaign aims to tackle the amount of waste across the county by highlighting the issue of single-use plastic and urging households to switch to reusable options and recycle more.

The campaign launched on the 6 January with adverts on Heart Radio and social media, inspiring Essex residents to make a New Year's resolution and say no to single-use plastic by taking the Love Essex Plastic Pledge. Throughout the year there will be easy swap ideas, such as ditching single-use plastic cups, bottles, straws and bags - switching to reusable ones instead. By focusing on one item every month and making one small change at a time, together we can make a difference.

Each year, around 400 million tonnes of plastic is produced and 40% of that is single-use plastic such as drinks bottles, carrier bags and coffee cups. However, in the UK, only 57% of plastic bottles are collected to be recycled.

If you want to be a part of the Love Essex plastic solution, take the Essex Plastic Pledge at www.loveessex.org/plasticpledge
