

Timings of the School Day September 2021

We would like to remind you that from September we have amended the timings of the school day to incorporate a shorter lunch break and an earlier finish as below.

The current Government Guidance does not require schools to operate staggered starts to the day and to keep year group bubbles separate. This means that from September, all pupils will need to be in school by 8:55am and be seated in their tutor rooms or lined up for assembly by 9am.

All pupils should arrive using the front entrance (pupils that are using the cycle shed will need to walk around to the front of school). Pupils will be permitted onto the school site from 8:30am, with a free breakfast and library facilities available from this time from Thursday 9th September. We have been informed that we may be required to put some restrictions in place in the case of a local outbreak, but we very much hope that this will not be necessary

TIMINGS OF THE SCHOOL DAY

Time	Activity
8.55am	Front gate closes and bell
9.00 - 9.15	Morning prep
9.15 - 10.30	Period 1
